Annual Report of Just Frenchat (2024-2025)

To Our Esteemed Colleagues, Partners, and Friends,

It is with a profound sense of pride and gratitude that we present the Annual Report for Just Frenchat for the year 2024-2025. As we reflect upon our remarkable journey, we have surpassed many milestones, each one a testament to the dedication, hard work, and vision that have guided us from our humble beginnings to a place of distinction in the world of French education.

A Year of Unprecedented Growth and Excellence

Journey begins in March 2022, The year 2024-2025 has been one of extraordinary progress. We are now honoured to serve more than 25 prestigious schools, alongside 3+ esteemed universities, and have the privilege of teaching over 8,000 students. This exponential growth has been made possible through the unwavering commitment of our esteemed team, now numbering 20 dedicated professionals, each of whom plays an indispensable role in our continued success.

Strategic Partnerships and Global Recognition

In our pursuit of academic excellence and cultural enrichment, Just Frenchat has been fortunate to forge several prestigious partnerships. We are proud to announce our new affiliations with:

- AIESEC by Delhi IIT
- Akaye French Center, France
- Alliance Culturelle, France

Presenting you an extension from the house of Just Frenchat, ***The Langualoft*** a maestro in the inception of Spanish, German and other languages in schools along with Soft-Skills.

These alliances not only enhance the educational experiences we offer, but also further our mission of promoting a deeper understanding of the French language and culture across the world.

A Vision for the Future

As we look to the future, we remain steadfast in our commitment to providing the highest calibre of education, fostering intellectual curiosity, and promoting cultural exchange. Our achievements this year have only deepened our resolve to continue this noble pursuit. We extend our deepest gratitude to our esteemed partners, loyal clients, and dedicated staff. With your continued support, we shall undoubtedly reach new heights in the years to come.

With the utmost respect and anticipation for what lies ahead,

Mahendra Vikram Shah
Founder & CEO, Just Frenchat

Additional Deliverables from JUST FRENCHAT from the A.Y. 2025-26

French Delegates' visit

A French delegate's visit enriches the student with a firsthand experience at French culture through interactive sessions, enhancing their language lessons with vivid cultural experiences.

Native speakers' workshop

Workshop by native speakers helps the students with a dive deep into the tapestry of the language and with an edge to their contemporaries in relation to the nooks and crannies of the language.

Mobile and Web Application- For our partner school students

At Just Frenchat, we offer a sophisticated, flexible approach to mastering French through state-of-the-art mobile and web apps.

Activity-Based Curriculum

At Just Frenchat, our Activity-Based Curriculum blends language learning with cultural immersion. Through interactive workshops, role-playing, and real-world conversations, students experience French as a living language.

Video series for schools

At Just Frenchat, we present a collection of over ten curated videos showcasing our dynamic collaboration with partner schools. These visual chronicles capture students actively engaging with the French language through role-playing, debates, and cultural workshops, embodying our philosophy of "learning by doing" with passion and purpose.

JF FrancoFusion

FrancoFusion is a distinguished event celebrating French language, culture, and creativity, showcasing student talent through performances, artistic expression, and cultural immersion in an inclusive, inspiring environment.

JF Championnat

The JF Championnat 2025 is a global competition to promote French proficiency. It features two stages: Entry Level Examination (ELE) and National Level Examination (NLE), with prizes for top performers in various categories.
